The Edmonton Gay and Lesbian

Community Newsletter

May, 1990

Welcome to the preview issue of the Community Newsletter. This publication is intended as a monthly bulletin of all events within the Edmonton lesbian and gay community. Through it, we hope to inform a greater number of people about the diversity of groups in the city, and their various activities. Hopefully, this will serve to build links within the community, and encourage participation in alternate activities.

On the reverse side is a sample calendar for May, 1990. The events listed are thanks to "Perceptions". In order that future editions are more complete, however, we ask that any interested groups contact us every month so that we may list all current events. Also, if you would like your organization listed in our directory, give us your address, phone number, and any other pertinent information. You can leave a message for us at the community center (address and phone to follow). The deadline for each month is the 20th of the previous month.

This newsletter is intended for widespread distribution in Edmonton, so if anyone has a location where they would like to distribute some copies, again, leave a message at the community center giving your location, and the approximate number of copies you would like.

If anyone has any suggestions for improvements to the newsletter, or has resources they would be willing to donate (photocopying, paper, etc.) please let us know. We need all the help we can get. But, the most important thing is to let us know your plans, so we can fill up the other side!

The next issue will contain a complete listing of all the Pride Week events. If you want more information sooner, contact the community center.
